<p>Does the thought exist without the word?</p>	<p>How many definitions are there for the word "love"?</p>
<p>Is "truth" subject to opinion? If "yes", then how can it be "truth"? If "no", then how can i speak of "my truth", "your" truth"?</p>	<p>In the statement, "i am thinking about the idea."? What is "i"? What is "thinking"? What is "idea"?</p>
<p>We accept as fact that water changes state at approx 0°C. We call that state "ice". Is ice cold?</p>	<p>What is an "idea" made out of? Where do "ideas" come from? Where do "ideas" go?</p>

<p>Where is the past? If there wasn't a "past", would there be a "future"?</p>	<p>Do i have a past? If so, where is it? If not, who am i?</p>
<p>Does time exist, except for the clock on the wall?</p>	<p>Do i remember the day i "learned" $1+1=2$? Do i remember the nice/nasty math teacher, i learned it from?</p>
<p>Looking at society today, in the light of the statement "But you shall love your neighbor as yourself" How would you define the word "love"? How would you define the word "neighbor"?</p>	<p>Do i exist only in relation? Do i exist only in relation to...? Do i exist only in relation with...?</p>
